BEFORE THE
TEXAS ETHICS COMMISSION
SC-31006196

ORDER and AGREED RESOLUTION

I. Recitals

The Texas Ethics Commission (the commission) met on April 21, 2011, to consider sworn complaint SC-31006196. A quorum of the commission was present. The commission determined that there is credible evidence of violations of sections 254.031 and 254.063 of the Election Code and section 20.62 of the Ethics Commission Rules, laws administered and enforced by the commission. To resolve and settle this complaint without further proceedings, the commission proposed this resolution to the respondent.

II. Allegations

The complaint alleged that the respondent did not properly disclose political contributions and political expenditures, and failed to timely file a campaign finance report.

III. Facts Supported by Credible Evidence

Credible evidence available to the commission supports the following findings of fact:

1. The respondent is Austin City Council Member, Place 4.

Total Political Contributions Maintained

2. The complaint alleged that the respondent incorrectly reported the amount of total political contributions maintained on four campaign finance reports. The complaint did not provide specific evidence to support the allegations.

Disclosure of Full Name of Person Making a Political Contribution

3. The complaint alleged that, based on a disclosure in the respondent's July 2008 semiannual report, the respondent failed to disclose the full name of one person making a

political contribution. The following disclosure did not include a proper name for the contributor:

- June 10, 2008, \$200, BMC PAC

Disclosure of Purposes of Political Expenditures

4. The complaint alleged that, based on disclosures in the respondent's July 2008 semiannual report, the respondent failed to properly disclose the purposes of 20 political expenditures. The respondent did not file corrections. However, the original descriptions adequately described the purposes of the expenditures.

Disclosure of Political Expenditures as Reimbursements

5. The complaint alleged that the respondent improperly disclosed three political expenditures as reimbursements on her July 2008 semiannual report. Two of the expenditures at issue disclosed the actual vendor as the payee. The respondent filed a corrected report to disclose the actual vendor payee of a \$500 political expenditure.

Timely Filing of Report

6. The complaint alleged that the respondent failed to timely file the January 2009 semiannual report. The report was due on January 15, 2009. The respondent filed the report on January 20, 2009, five days after the reporting deadline.

IV. Findings and Conclusions of Law

The facts described in Section III support the following findings and conclusions of law:

Total Political Contributions Maintained

1. Each report must include as of the last day of the reporting period, the total amount of political contributions accepted, including interest or other income on those contributions, maintained in one or more accounts in which political contributions are deposited as of the last day of the reporting period. ELEC. CODE § 254.031(a)(8).
2. There is insufficient evidence of a violation of section 254.031(a)(8) of the Election Code.

Disclosure of Full Name of Person Making a Political Contribution

3. Each campaign finance report must include the amount of political contributions from each person that in the aggregate exceed \$50 and that are accepted during the reporting period by the person or committee required to file a report under this chapter, the full name and address of the person making the contributions, and the dates of the contributions. ELEC. CODE § 254.031(a)(1).

4. The disclosure did not properly disclose the name of the contributor at issue. The entry was not corrected. Therefore, there is credible evidence of a violation of section 254.031(a)(1) of the Election Code.

Disclosure of Purposes of Political Expenditures

5. A campaign finance report must include, for all political expenditures that in the aggregate exceed \$50 and that are made during the reporting period, the full name and address of the persons to whom political expenditures are made and the dates and purposes of the expenditures. ELEC. CODE § 254.031(a)(3).
6. The original purpose descriptions were adequate. Therefore, there is credible evidence of no violation of section 254.031(a)(3) of the Election Code.

Disclosure of Political Expenditures as Reimbursements

7. A campaign finance report must include, for all political expenditures that in the aggregate exceed \$50 and that are made during the reporting period, the full name and address of the persons to whom political expenditures are made and the dates and purposes of the expenditures. ELEC. CODE § 254.031(a)(3).
8. Political expenditures made out of personal funds by a staff member of an officeholder, a candidate, or a political committee with the intent to seek reimbursement from the officeholder, candidate, or political committee that in the aggregate do not exceed \$5,000 during the reporting period may be reported as follows if the reimbursement occurs during the same reporting period that the initial expenditure was made: the amount of political expenditures that in the aggregate exceed \$50 and that are made during the reporting period, the full name and address of the persons to whom the expenditures are made and the dates and purposes of the expenditures; and included with the total amount or a specific listing of the political expenditures of \$50 or less made during the reporting period. Except as provided above, a political expenditure made out of personal funds by a staff member of an officeholder, a candidate, or political committee with the intent to seek reimbursement from the officeholder, candidate, or political committee must be reported as follows: the aggregate amount of the expenditures made by the staff member as of the last day of the reporting period is reported as a loan to the officeholder, candidate, or political committee; the expenditure made by the staff member is reported as a political expenditure by the officeholder, candidate, or political committee; and the reimbursement to the staff member to repay the loan is reported as a political expenditure by the officeholder, candidate, or political committee. Ethics Commission Rules § 20.62.
9. The respondent filed a corrected report to disclose the actual vendor payee of a political expenditure totaling \$500. At the time the original report was filed, the respondent failed to properly disclose this information. Therefore, there is credible evidence of a violation of section 254.031(a)(3) of the Election Code and section 20.62 of the Ethics Commission Rules. With respect to the remaining expenditures, there is credible

evidence of no violation of section 254.031(a)(3) of the Election Code and section 20.59 of the Ethics Commission Rules.

Timely Filing of Report

10. A candidate is required to file two reports each year. The first report must be filed by July 15. The report covers the period beginning January 1, the day the candidate's campaign treasurer appointment is filed, or the first day after the period covered by the last report required to be filed under this subchapter, as applicable, and continuing through June 30. ELEC. CODE § 254.063(a).
11. The respondent's January 2009 semiannual report was filed late. Therefore, there is credible evidence of violations of section 254.063(a) of the Election Code.

V. Representations and Agreement by Respondent

By signing this order and agreed resolution and returning it to the commission:

1. The respondent neither admits nor denies the facts described under Section III or the commission's findings and conclusions of law described under Section IV, and consents to the entry of this order and agreed resolution solely for the purpose of resolving this sworn complaint.
2. The respondent consents to this order and agreed resolution and waives any right to further proceedings in this matter.
3. The respondent also acknowledges that a campaign finance report must include, for all political expenditures that in the aggregate exceed \$50 and that are made during the reporting period, the full name and address of the persons to whom political expenditures are made and the dates and purposes of the expenditures. The respondent also acknowledges that the proper way to report reimbursements to staff is in accordance with section 20.62 of the Ethics Commission Rules. The respondent also acknowledges that a candidate is required to file two reports for each year, the first of which shall be filed not later than July 15, covering the period beginning January 1, the day the candidate's campaign treasurer appointment is filed, or the first day after the period covered by the last report required to be filed, and continuing through June 30. The respondent agrees to comply with these requirements of the law.

VII. Sanction

After considering the violations described under Sections III and IV, including the nature, circumstances, and consequences of the violations, and after considering the sanction necessary to deter future violations, the commission imposes a \$200 civil penalty.
