ORDER and AGREED RESOLUTION

I. Recitals

The Texas Ethics Commission (Commission) met on June 27, 2019, to consider sworn complaint SC-3190462. A quorum of the Commission was present. The Commission determined that there is credible evidence of a violation of sections 254.063 and 254.064 of the Election Code, laws administered and enforced by the Commission. To resolve and settle this complaint without further proceedings, the Commission adopted this resolution.

II. Allegations

The complaint alleged that the respondent did not timely file the January 2019 semiannual report and 30-day pre-election report for the May 4, 2019, election.

III. Facts Supported by Credible Evidence

Credible evidence available to the Commission supports the following findings of fact:

1. The respondent was an opposed candidate for Sugar Land City Council, District 2, in the May 4, 2019, election. The respondent announced her candidacy and filed a campaign treasurer appointment in December 2018.
2. Regarding the January 2019 semiannual report, the respondent was required to file the report by January 15, 2019. Records on file with the Sugar Land city secretary show the respondent filed the report on March 18, 2019. The report disclosed \$2,550 in total political contributions and \$1,398.85 in total political expenditures.
3. Regarding the 30-day pre-election report for the May 4, 2019, election, the respondent was required to file the report by April 4, 2019. Records on file with the Sugar Land city secretary show the respondent filed the report on April 10, 2019. The report disclosed \$44,885 in total political contributions and \$13,284 in total political expenditures.
4. In response to the complaint, the respondent swore that the reports were filed late because she did not have all of the required contributor information when the reports were due.

IV. Findings and Conclusions of Law

The facts described in Section III support the following findings and conclusions of law:

1. A candidate shall file two reports for each year. ELEC. CODE § 254.063(a). The second report shall be filed not later than January 15. The report covers the period beginning July 1, the day the candidate's campaign treasurer appointment is filed, or the first day after the period covered by the last report required to be filed under subchapter C of chapter 254, as applicable, and continuing through December 31. *Id.* § 254.063(c).
2. In addition to other required reports, for each election in which a person is a candidate and has an opponent whose name is to appear on the ballot, the person shall file two reports. ELEC. CODE § 254.064(a). The first report must be received by the authority with whom the report is required to be filed not later than the 30th day before election day. The report covers the period beginning the day the candidate's campaign treasurer appointment is filed or the first day after the period covered by the last report required to be filed under chapter 254, as applicable, and continuing through the 40th day before election day. *Id.* § 254.064(b).
3. Regarding the January 2019 semiannual report, credible evidence shows the respondent filed the report approximately two months late. Therefore, there is credible evidence of a violation of section 254.063 of the Election Code.
4. Regarding the 30-day pre-election report for the May 2019 election, credible evidence shows the respondent filed the report six days late. Therefore, there is credible evidence of a violation of section 254.064 of the Election Code.

V. Representations and Agreement by Respondent

By signing this order and agreed resolution and returning it to the Commission:

1. The respondent neither admits nor denies the facts described under Section III or the Commission's findings and conclusions of law described under Section IV, and consents to the entry of this order and agreed resolution solely for the purpose of resolving this sworn complaint.

3. The respondent acknowledges that a candidate shall file two reports for each year until a final report is filed. The second report shall be filed not later January 15. The respondent also acknowledges that in addition to other required reports, for each election in which a person is

a candidate and has an opponent whose name is to appear on the ballot, the person shall file two reports. The first report must be received by the authority with whom the report is required to be filed not later than the 30th day before election day. The respondent agrees to comply with these requirements of the law.

VI. Confidentiality

Accordingly, this order and agreed resolution is not confidential under section 571.140 of the Government Code and may be disclosed by members and staff of the Commission.

VII. Sanction
