(a) If a respondent to whom a notice of hearing with factual allegations is served or provided fails to appear for the hearing, the commission may proceed in the respondent’s absence on a default basis.

(b) A default proceeding under this section requires adequate proof of the following:

(1) the notice of hearing to the respondent stated that the allegations listed in the notice could be deemed admitted and that the relief sought in the notice of hearing might be granted by default against the party that fails to appear at the hearing;

(2) the notice of hearing satisfies the requirements of sections 2001.051, 2001.052, and 571.126 of the Government Code; and

(3) the notice of hearing was:

   (A) received by the defaulting party; or

   (B) as authorized by Chapter 571 of the Government Code and this chapter, sent by regular mail or by certified mail, restricted delivery, return receipt requested, to the party’s last known address as shown by the commission’s records.

(c) In the absence of adequate proof to support a default, the presiding officer shall continue the hearing and direct commission staff to provide adequate notice of hearing. If adequate notice is unable to be provided, the commission may dismiss the complaint.

(d) Upon receiving the required showing of proof to support a default, the commission may by vote deem admitted the allegations in the notice of hearing and issue a default decision.
12.174. Summary Disposition

(a) Granting of summary disposition. Summary disposition shall be granted on all or part of a complaint’s allegations if the allegations, the motion for summary disposition, and the summary disposition evidence show that there is no genuine issue as to any material fact and that the moving party is entitled to a decision in its favor as a matter of law on all or some of the issues expressly set out in the motion. Summary disposition is not permitted based on the ground that there is no evidence of one or more essential elements of a claim or defense on which the opposing party would have the burden of proof at the formal hearing.

(b) Deadlines. Unless otherwise ordered by the presiding officer:

(1) A party may file a motion for summary disposition at any time after the commission orders a formal hearing, but the motion must be filed at least 45 days before a scheduled hearing on the merits.

(2) The response and opposing summary disposition evidence shall be filed no later than 15 days after the filing of the motion.

(c) Contents of Motion. A motion for summary disposition shall include the contents listed below. A motion may be denied for failure to comply with these requirements.

(1) The motion shall state the specific issues upon which summary disposition is sought and the specific grounds justifying summary disposition.

(2) The motion shall also separately state all material facts upon which the motion is based. Each material fact stated shall be followed by a clear and specific reference to the supporting summary disposition evidence.

(3) The first page of the motion shall contain the following statement in at least 12-point, bold-face type: “Notice to parties: This motion requests the commission to decide some or all of the issues in this case without holding an evidentiary hearing on the merits. You have 15 days after the filing of the motion to file a response. If you do not file a response, this case may be decided against you without an evidentiary hearing on the merits.”

(d) Responses to motions.

(1) A party may file a response and summary disposition evidence to oppose a motion for summary disposition.

(2) The response shall include all arguments against the motion for summary disposition, any objections to the form of the motion, and any objections to the summary disposition evidence offered in support of the motion.

(e) Summary disposition evidence.

(1) Summary disposition evidence may include deposition transcripts; interrogatory answers and other discovery responses; pleadings; admissions; affidavits; materials obtained by discovery; matters officially noticed; stipulations; authenticated or certified
public, business, or medical records; and other admissible evidence. No oral testimony shall be received at a hearing on a motion for summary disposition.

(2) Summary disposition may be based on uncontroverted written testimonial evidence of an interested witness, or of an expert witness as to subject matter concerning which the presiding officer must be guided solely by the opinion testimony of experts, if the evidence is clear, positive and direct, otherwise credible and free from contradictions and inconsistencies, and could have been readily controverted.

(3) All summary disposition evidence offered in support of or in opposition to a motion for summary disposition shall be filed with the motion or response. Copies of relevant portions of materials obtained by discovery that are relied upon to support or oppose a motion for summary disposition shall be included in the summary disposition evidence.

(f) Proceedings on motions.

(1) The presiding officer may order a hearing on a motion for summary disposition and the commission may rule on the motion without a hearing.

(2) The affirmative vote of six commissioners is necessary to grant summary disposition finding a violation by a preponderance of the evidence.

(3) If summary disposition is granted on all contested issues in a case, the record shall close on the date ordered by the presiding officer or on the later of the filing of the last summary disposition arguments or evidence, the date the summary disposition response was due, or the date a hearing was held on the motion. The commission shall issue a final decision and written report, including a statement of reasons, findings of fact, and conclusions of law in support of the summary disposition rendered.

(4) If summary disposition is granted on some but not all of the contested issues in a case, the commission shall not take evidence or hear further argument upon the issues for which summary disposition has been granted. The commission shall issue an order:

(A) specifying the facts about which there is no genuine issue;

(B) specifying the issues for which summary disposition has been granted; and

(C) directing further proceedings as necessary. If an evidentiary hearing is held on the remaining issues, the facts and issues resolved by summary disposition shall be deemed established, and the hearing shall be conducted accordingly. After the evidentiary hearing is concluded, the commission shall include in the final decision a statement of reasons, findings of fact, and conclusions of law in support of the partial summary disposition rendered.

§12.175. Resolution of Formal Hearing

(a) As provided by section 571.139 of the Government Code, the commission may deliberate in private regarding the resolution of a sworn complaint or motion, including a dismissal of a complaint, a determination of whether a violation within the jurisdiction of the commission has occurred, and an appropriate penalty upon a finding of a violation. As provided by section
2001.061 of the Government Code, the presiding officer may permit the executive director, general counsel, or other employee of the commission who has not participated in a hearing in the complaint for the purpose of using the special skills or knowledge of the agency and its staff in evaluating the evidence.

(b) A late fine for a correction/amendment to an 8-day pre-election report shall be waived if:

   (1) The corrected report was filed not later than the fourth day after the original report due date;

   (2) The only correction/amendment by a candidate or officeholder was to add to or delete from the outstanding loans total an amount of loans made from personal funds;

   (3) The only correction/amendment by a political committee was to add the name of each candidate supported or opposed by the committee, when each name was originally disclosed on the appropriate schedule for disclosing political expenditures; or
(4) The only correction/amendment was to disclose the actual amount of a contribution or expenditure, when:

(A) the amount originally disclosed was an overestimation;

(B) the difference between the originally disclosed amount and the actual amount did not vary by more than 10%; and

(C) the original report clearly included an explanation of the estimated amount disclosed and the filer’s intention to file a correction/amendment as soon as the actual amount was known.

(c) A late fine for a correction/amendment to an 8-day pre-election report that does not meet the criteria for a waiver under subsection (b) of this section shall be reduced as follows:

(1) If the corrected/amended report was filed more than four days after the original report due date but was filed before the election day, the late fine is reduced to $500;

(2) If the corrected/amended report was filed after the election and the amount of the incorrectly reported or unreported activity was more than 10% of the total amount disclosed on the corrected/amended report but did not exceed the lesser of 25% of the total amount of activity, or $5,000, the late fine is reduced to $1,000; or

(3) If the amount of the incorrectly reported or unreported activity was more than 40% of the total amount disclosed in the corrected/amended report and the corrected/amended report was filed over a year after the election, the late fine is reduced to 10% of the amount at issue.

(d) A late fine that is reduced under this section will revert to the full amount originally assessed if the reduced fine is not paid on or before the 30th calendar day after the date of the notice informing the filer of the reduction.

(e) A filer may appeal a determination made under this section by submitting a request in writing to the commission.

(1) The request for appeal should state the filer’s reasons for requesting an appeal, provide any additional information needed to support the request, and state whether the filer would like the opportunity to appear before the commission and offer testimony regarding the appeal.

(2) After hearing a request for appeal, the commission may affirm the determination made under this section or make a new determination based on facts presented in the appeal.

§18.19. Affidavit of Timely Filing

A filer who has been notified by the commission that a report is late but who filed the report on or before the deadline may submit an affidavit to the executive director swearing that the report was timely filed.

(b) A request to waive or reduce a fine assessed for failure to file a timely report or for filing a correction to a report will not be considered after an action to collect the fine is filed in court.

§18.23. Administrative Waiver of Fine

(a) A filer may request the executive director to waive a late fine by submitting an affidavit to the executive director that states facts that establish that:
(1) the report was filed late because of an unforeseen serious medical emergency or condition or a death that involved the filer, a family member or relative of the filer, a member of the filer's household, or a person whose usual job duties include preparation of the report;

(2) the report was filed late as a result of verifiable severe weather at the filer's location that prevented the filer from filing the report by the applicable deadline and the report was filed within a reasonable time after the deadline;

(3) the report was filed late because the filer was a first responder, as defined in §6.1 of this title (relating to Definitions), deployed to an emergency situation at the time of the filing deadline or a member of the military deployed on active duty at the time of the filing deadline and the report was filed within a reasonable time after the deadline;

(4) the filer of the personal financial disclosure report is not an elected official, a candidate for election, or a salaried public servant, and the late report:

(A) had filed all previous reports by the applicable deadline;

§18.24. General Guidelines for Other Administrative Waiver or Reduction of Fine

(a) A filer who does not qualify for a waiver under §18.23 of this title (relating to Administrative Waiver of Fine) may request the executive director to waive a late fine by submitting an affidavit to the executive director. (3) Category C includes:

(A) unsalaried appointed board members and officials; and
(B) political committees with less than $3,000 in annual activity in the calendar year in which the late report was due.

(d) For purposes of a reduction of a late fine under § 18.25 and §18.26 of this title, the following explanations will be accepted as showing good cause:

(1) The report was filed no more than one day late.
(2) The report was filed within seven days of receipt of a late notice.
(3) The report was not a critical report and was prepared and placed in the mail on time but not postmarked by the deadline.

Report Type II Formulas Chart Examples:

(1) Candidate X seeking the office of State Representative (Category A filer type)
   Report: 30-day pre-election report due February 3, 2014 (Report Type II)
   Filed Date: February 4, 2014 (1 day late; good cause under section 18.24(d))
   Activity: contributions = $10,000; expenditures = $5,000 (use Formulas Chart)
   Prior offenses: none
   Penalty: $500
   Determination: reduction to $150

   Formula Calculation = $150 (Category A, Good Cause, 0 Priors, 1st day late)

(2) Large GPAC filing under the regular (semiannual) filing schedule (Category B filer type)
   Report: 30-day pre-election report due February 3, 2014 (Report Type II)
   Filed Date: February 4, 2014 (1 day late; good cause under section 18.24(d))
   Activity: contributions = $10,000; expenditures = $5,000 (use Formulas Chart)
   Prior offenses: two prior late reports in the last five years

   Activity: contributions = $10,000; expenditures = $5,000 (use Formulas Chart)
   Prior offenses: none
   Penalty: $2,800
   Determination: reduction to $1,150

   Formula Calculation = $150 (Category A, Good Cause, 0 Priors, 1st day late) + $1,000 (next 10 days late @ $100 per day) + $0 (remaining 13 days late do not add up to full 30-day segment) = $1,150.

CHAPTER 20. REPORTING POLITICAL CONTRIBUTIONS AND EXPENDITURES

Subchapter A. GENERAL RULES

§20.1. Definitions

The following words and terms, when used in Title 15 of the Election Code, in this chapter, Chapter 22 of this title (relating to Restrictions on Contributions and Expenditures), and Chapter 24 of this title (relating to Restrictions on Contributions and Expenditures Applicable to Corporations and Labor Organizations), shall have the following meanings, unless the context clearly indicates otherwise.

(1) Campaign communication--The term does not include a communication made by e-mail.

(2) Campaign treasurer--Either the individual appointed by a candidate to be the campaign treasurer, or the individual responsible for filing campaign finance reports of a political committee under Texas law or the law of any other state.

(3) Contribution--The term does not include a transfer for consideration of any thing of value pursuant to a contract that reflects the usual and normal business practice of the vendor.

(4) Corporation--The term does not include professional corporations or professional associations.

(5) Election cycle--A single election and any related primary or runoff election.

(6) Identified measure--A question or proposal submitted in an election for an expression of the voters’ will and includes the circulation and submission of a petition to determine whether a question or proposal is required to be submitted in an election for an expression of the voters’ will.

(7) Non-political expenditure--An expenditure from political contributions that is not an officeholder expenditure or a campaign expenditure.

(8) Opposed candidate--A candidate who has an opponent whose name is to appear on the ballot. The name of a write-in candidate does not appear on the ballot.

(9) Out-of-state political committee--A political committee that makes political expenditures outside Texas and in the 12 months immediately preceding the making of a political expenditure by the committee inside Texas (other than an expenditure made in connection with a campaign for a federal office or made for a federal officeholder), makes 80% or more of the committee’s total political expenditures in any combination of elections outside this state and federal offices not voted on in this state. Section 20.13 of this title (relating to Out-of-State Committees) explains the practical application of this definition.

(10) Pledge--A contribution in the form of an unfulfilled promise or unfulfilled agreement, whether enforceable or not, to provide a specified amount of money or
specific goods or services. The term does not include a contribution actually made in the form of a check.

(11) Political advertising:

(A) A communication that supports or opposes a political party, a public officer, a measure, or a candidate for nomination or election to a public office or office of a political party, and:

(i) is published in a newspaper, magazine, or other periodical in return for consideration;

(ii) is broadcast by radio or television in return for consideration;

(iii) appears in a pamphlet, circular, flier, billboard, or other sign, bumper sticker, or similar form of written communication; or

(iv) appears on an Internet website.

(B) The term does not include an individual communication made by e-mail but does include mass e-mails involving an expenditure of funds beyond the basic cost of hardware messaging software and bandwidth.

(12) Political subdivision--A county, city, or school district or any other governmental entity that:

(A) embraces a geographic area with a defined boundary;

(B) exists for the purpose of discharging functions of government; and

(C) possesses authority for subordinate self-government through officers selected by it.

(13) Report--Any document required to be filed by this title, including an appointment of campaign treasurer, any type of report of contributions and expenditures, and any notice.

(14) Special pre-election report--A shorthand term for a report filed in accordance with the requirements of §§20.221, 20.333, or 20.435 of this title (relating to Special Pre-Election Report by Certain Candidates; Special Pre-Election Report by Certain Specific-Purpose Committees; Special Pre-Election Reports by Certain General-Purpose Committees) and §§254.038 and §254.039 of the Election Code (relating to Special Report Near Election by Certain Candidates and Political Committees and Special Report Near Election By Certain General-Purpose Committees).

(15) Specific-purpose committee--A political committee that does not meet the definition of general-purpose committee and that has among its principal purposes:

(A) supporting or opposing one or more:
(i) candidates, all of whom are identified and are seeking offices that are known; or

(ii) measures, all of which are identified;

(B) assisting one or more officeholders, all of whom are identified; or

(C) supporting or opposing only one candidate who is unidentified or who is seeking an office that is unknown.

(16) Unidentified measure--A question or proposal that is intended to be submitted in an election for an expression of the voters’ will and that is not yet legally required to be submitted in an election, except that the term does not include the circulation or submission of a petition to determine whether a question or proposal is required to be submitted in an election for an expression of the voters’ will. The circulation or submission of a petition to determine whether a question or proposal is required to be submitted in an election for an expression of the voters’ will is considered to be an identified measure.

(17) Principal purpose--A group has as a principal purpose of accepting political contributions or making political expenditures, including direct campaign expenditures, when that activity is an important or a main function of the group.

(A) A group may have more than one principal purpose.

(B) A group has as a principal purpose accepting political contributions if the proportion of the political contributions to the total contributions to the group is more than 25 percent within a calendar year. A contributor intends to make a political contribution if the solicitations that prompted the contribution or the statements made by the contributor about the contribution would lead to no other reasonable conclusion than that the contribution was intended to be a political contribution.

(C) The group may maintain specific evidence of contributions related only to political contributions or only to nonpolitical contributions. For example, the group may ask the contributor to make an indication when the contribution is made that the contribution is only a nonpolitical contribution.

(D) A group has as a principal purpose making political expenditures, including direct expenditures, if the group expends more than 25 percent of its annual expenses to make political expenditures within a calendar year. The following shall be included for purposes of calculating the threshold:

(i) the amount of money paid in compensation and benefits to the group's employees for work related to making political expenditures;

(ii) the amount of money spent on political expenditures; and

(iii) the amount of money attributable to the proportional share of administrative expenses related to political expenditures. The proportional
share of administrative expenses is calculated by comparing the political expenditures in clause (ii) with nonpolitical expenditures. (For example, if the group sends three mailings a year and each costs $10,000, if the first two are issue based newsletters and the third is a direct advocacy sample ballot, and there were no other outside expenditures, then the proportion of the administrative expenses attributable to political expenditures would be 33%). Administrative expenses include:

(I) fees for services to non-employees;

(II) advertising and promotion;

(III) office expenses;

(IV) information technology;

(V) occupancy;

(VI) travel expenses;

(VII) interest; and

(VIII) insurance.

(E) The group may maintain specific evidence of administrative expenses related only to political expenditures or only to nonpolitical expenditures. Specifically identified administrative expenses shall not be included in the proportion established by subparagraph (D)(iii) but allocated by the actual amount of the expense.

(F) In this section, the term "political expenditures" includes direct campaign expenditures.

(18) In connection with a campaign:

(A) An expenditure is made in connection with a campaign for an elective office if it is:

(i) made for a communication that expressly advocates the election or defeat of a clearly identified candidate by:

(I) using such words as “vote for,” “elect,” “support,” “vote against,” “defeat,” “reject,” “cast your ballot for,” or “Smith for city council;” or

(II) using such phrases as “elect the incumbent” or “reject the challenger,” or such phrases as “vote pro-life” or “vote pro-choice” accompanied by a listing of candidates described as “pro-life” or “pro-choice;”
(ii) made for a communication broadcast by radio, television, cable, or satellite or distributed by print or electronic media, including any print publication, mailing, Internet website, electronic mail, or automated phone bank, that:

(I) refers to a clearly identified candidate;

(II) is distributed within 30 days before a contested election for the office sought by the candidate;

(III) targets a mass audience or group in the geographical area the candidate seeks to represent; and

(IV) includes words, whether displayed, written, or spoken; images of the candidate or candidate’s opponent; or sounds of the voice of the candidate or candidate’s opponent that, without consideration of the intent of the person making the communication, are susceptible of no other reasonable interpretation than to urge the election or defeat of the candidate;

(iii) made by a candidate or political committee to support or oppose a candidate; or

(iv) a campaign contribution to:

(I) a candidate; or

(II) a group that, at the time of the contribution, already qualifies as a political committee.

(B) An expenditure is made in connection with a campaign on a measure if it is:

(i) made for a communication that expressly advocates the passage or defeat of a clearly identified measure by using such words as “vote for,” “support,” “vote against,” “defeat,” “reject,” or “cast your ballot for;”

(ii) made for a communication broadcast by radio, television, cable, or satellite or distributed by print or electronic media, including any print publication, mailing, Internet website, electronic mail, or automated phone bank, that:

(I) refers to a clearly identified measure;

(II) is distributed within 30 days before the election in which the measure is to appear on the ballot;

(III) targets a mass audience or group in the geographical area in which the measure is to appear on the ballot; and

(IV) includes words, whether displayed, written, or spoken, that,
without consideration of the intent of the person making the communication, are susceptible of no other reasonable interpretation than to urge the passage or defeat of the measure;

(iii) made by a political committee to support or oppose a measure; or

(iv) a campaign contribution to a group that, at the time of the contribution, already qualifies as a political committee.

(C) Any cost incurred for covering or carrying a news story, commentary, or editorial by a broadcasting station or cable television operator, Internet website, or newspaper, magazine, or other periodical publication, including an Internet or other electronic publication, is not a campaign expenditure if the cost for the news story, commentary, or editorial is not paid for by, and the medium is not owned or controlled by, a candidate or political committee.

(D) For purposes of this section:

(i) a candidate is clearly identified by a communication that includes the candidate’s name, office sought, office held, likeness, photograph, or other apparent and unambiguous reference; and

(ii) a measure is clearly identified by a communication that includes the measure’s name or ballot designation (such as “Proposition 1”), purposes, election date, or other apparent and unambiguous reference.

(19) Discount--The provision of any goods or services without charge or at a charge which is less than fair market value. A discount is an in-kind political contribution unless the terms of the transaction reflect the usual and normal practice of the industry and are typical of the terms that are offered to political and non-political persons alike, or unless the discount is given solely in order to comply with §253.041 of the Election Code. The value of an in-kind contribution in the form of a discount is the difference between the fair market value of the goods or services at the time of the contribution and the amount charged.

(20) School district--For purposes of §254.130 of the Election Code and §§20.3 (relating to Reports Filed with the Commission), 20.7 (relating to Reports Filed with Other Local Filing Authority), and 20.315 (relating to Termination of Campaign Treasurer Appointment) of this title, the term includes a junior college district or community college district.

(21) Vendor--Any person providing goods or services to a candidate, officeholder, political committee, or other filer under this chapter. The term does not include an employee of the candidate, officeholder, political committee, or other filer.

§20.3. Reports Filed with the Commission

The Ethics Commission is the appropriate filing authority for reports filed by:

(1) a candidate for one of the following offices:
(A) a statewide office;
(B) a district office filled by voters in more than one county;
(C) a seat in the state legislature;

    (A) a measure to be submitted to the voters of the entire state; or
    (B) a measure that concerns a political subdivision other than a county, if the governing body of the political subdivision has not been formed and if the political subdivision includes territory in more than one county; or

(6) a specific-purpose committee created to support or oppose a measure on the issuance of bonds by a school district; or

(7) a general-purpose committee.

§20.5. Reports Filed with a County Filing Authority

The county clerk (or the county elections administrator or tax assessor-collector who is required to perform the functions of the county clerk as provided by §§31.043 or 31.071 of the Election Code) is the appropriate filing authority for reports filed by:

(1) a candidate for:
    (A) a county office;
    (B) a precinct office;
    (C) a district office (except for an office in a multi-county district; or
    (D) an office of a political subdivision other than a county if the political subdivision is within the boundaries of a single county and if the governing body of the political subdivision has not been formed;
(2) a person holding an office listed in paragraph (1) of this section;

(3) a specific-purpose committee supporting or opposing a candidate listed in paragraph (1) of this section or an office holder listed in paragraph (2) of this section;

(4) a specific-purpose committee supporting or opposing:

   (A) a measure to be submitted to the voters of a single county; or

   (B) a measure concerning a political subdivision other than a county when the governing body for the political subdivision has not been formed and no boundary of the political subdivision crosses a boundary of a county.

§20.7. Reports Filed with Other Local Filing Authority

(a) Except as provided by §20.3(6) of this title (relating to Reports Filed with the Commission), the secretary of a political subdivision (or the presiding officer if the political subdivision has no secretary) is the appropriate filing authority for reports filed by:

   (1) a candidate for an office of a political subdivision other than a county;

   (2) a person holding an office of a political subdivision other than a county; or

   (3) a specific-purpose committee supporting or opposing a measure to be submitted at an election ordered by the authority of a political subdivision other than a county.

(b) The campaign treasurer of a specific-purpose committee created to support or oppose a measure on the issuance of bonds by a school district should file with the commission a file-stamped copy of any campaign treasurer appointment filed with the appropriate local filing authority.

§20.9. Filing Option for Certain Specific-Purpose Committees

A specific-purpose committee required to file reports with more than one authority may choose to file reports only with the commission.

§20.11. Federal Candidates and Officeholders

The laws administered and enforced by the commission do not apply to a candidate for election to an office of the federal government or to a federal officeholder.

§20.13. Out-of-State Committees

(a) An out-of-state political committee is required to file reports for each reporting period under Subchapter F, Chapter 254, Election Code, in which the out-of-state political committee accepts political contributions or makes political expenditures in connection with a state or local election in Texas. Section 254.1581, Election Code, applies to a report required to be filed under this section. An out-of-state political committee that files reports electronically in another jurisdiction may comply with §254.1581, Election Code, by sending a letter to the commission within the time prescribed by that section specifying in detail where the electronic report may be
found on the website of the agency with which the out-of-state political committee is required to file its reports. An out-of-state political committee that does not file reports electronically in another jurisdiction may comply with §254.1581, Election Code, by sending a copy of the cover sheets of the report and a copy of each page on which the committee reports a contribution or expenditure accepted or made in connection with a state or local election in Texas.

(b) An out-of-state political committee that files an appointment of campaign treasurer with a Texas filing authority is required to file reports under this title.

c) A political committee must determine if it is an "out-of-state political committee" each time the political committee plans to make a political expenditure in Texas (other than an expenditure in connection with a campaign for a federal office or an expenditure for a federal officeholder). The determination is made as follows.

(1) Before making the expenditure (other than an expenditure in connection with a campaign for a federal office or an expenditure for a federal officeholder), the committee must calculate its total political expenditures made during the 12 months immediately preceding the date of the planned expenditure. This total does not include the planned political expenditure triggering the calculation requirement.

(2) If 80% or more of the total political expenditures are in connection with elections not voted on in Texas, the committee is an out-of-state committee.

(3) If less than 80% of the total political expenditures are in connection with elections not voted on in Texas, the committee is no longer an out-of-state committee.

(d) Section 20.29 (relating to Information About Out-of-State Committees) and §22.7 (relating to Contribution from Out-of-State Committee) of this title contain other provisions regarding requirements applicable to recipients of contributions from out-of-state political committees.

e) An out-of-state political committee planning an expenditure in connection with a campaign for federal office voted on in Texas is not required to make the determination required under subsection (c) of this section. However, an expenditure in connection with a campaign for federal office voted on in Texas must be included in the calculation set out in subsection (c) of this section for an out-of-state committee making an expenditure in connection with a non-federal campaign voted on in Texas.

§20.15. Change of Address

The campaign treasurer of a political committee required to file reports with the commission shall provide written notice to the commission of any change in his or her mailing address no later than the 10th day after the date of the change.

§20.16. Notices by Electronic Mail

(b) A person required to file reports with the commission and who qualifies for an exemption from electronic filing may provide to the commission an electronic mail address to which notices regarding filing requirements under Title 15 of the Election Code may be sent.

(c) If the commission is twice unable to notify a person of a deadline at an electronic mail address provided under subsection (a) or (b) of this section, the commission is not required to make any further attempts to notify the person of that deadline or any future deadlines until the person has notified the commission of the person’s current electronic mail address.

§20.18. Recordkeeping Required

(a) Records required to be maintained by §254.001 of the Election Code consist of records containing information needed to comply with reporting requirements, examples may include bank statements (front and back), deposit slips, cancelled checks (front and back), receipts, invoices, bills, and ledgers of contributions and expenditures.

(b) Candidates, officeholders, and campaign treasurers of a political committee comply with §254.001 of the Election Code when they maintain the following:

§20.19. Reports Must Be Filed on Official Forms

(b) Subsection (a) of this section does not apply to a special pre-election report required by this title or by Title 15 of the Election Code. Special pre-election reports are due on the date assigned by the sections requiring those reports to be filed.

§20.23. Timeliness of Action by Mail

When this chapter requires a notice, report, or other document or paper to be delivered, submitted, or filed within a specified period or before a specified deadline, a delivery, submission, or filing by first-class United States mail is timely except as otherwise provided by this chapter, if:

(1) it is properly addressed with postage prepaid; and

(2) it bears a post office cancellation mark indicating a time within the period or before the deadline, or if the person required to take the action furnishes satisfactory proof that it was deposited within in the mail within the period or before the deadline.

§20.29. Information About Out-of-State Committees

(a) A person who files a report with the commission by electronic transfer and who accepts political contributions from an out-of-state political committee required to file its statement of organization with the Federal Election Commission shall either:

(1) enter the out-of-state committee’s federal PAC identification number in the appropriate place on the report; or

(2) timely file a certified copy of the out-of-state committee’s statement of organization that is filed with the Federal Election Commission.

(b) A person who files a report with the commission by electronic transfer and who accepts political contributions from an out-of-state political committee that is not required to file its statement of organization with the Federal Elections Commission shall either:

(d) A document filed under subsection (a)(2) or (b)(2) of this section for a pre-election report is timely filed if it is received by the commission no later than the report due date. A pre-election report includes reports due 30-days and 8-days before an election, reports due before a runoff election, and special reports due before an election.

§20.33. Termination of Campaign Treasurer Appointment By Commission

(a) The commission may terminate the campaign treasurer appointment of an inactive candidate or an inactive political committee.

(b) For purposes of subsection (a) of this section and §252.0131, Election Code, a candidate becomes “inactive” if the candidate files a campaign treasurer appointment with the commission and more than one year has lapsed since the candidate has filed any required campaign finance reports with the commission.

(c) For purposes of subsection (a) of this section and §252.0131, Election Code, a political committee becomes “inactive” if the political committee files a campaign treasurer appointment with the commission and more than one year has lapsed since the campaign treasurer of the political committee has filed any required campaign finance reports with the commission.

§20.51. Value of In-Kind Contribution

(a) For reporting purposes, the value of an in-kind contribution is the fair market value.

§20.54. Reporting a Pledge of a Contribution

(a) The date of a pledge of a contribution is the date the pledge was accepted, regardless of when the pledge is actually received.

(c) A pledge of a contribution that is actually received in the reporting period in which the pledge was accepted, shall be reported on the contribution schedule or the loan schedule, as applicable, and in accordance with subsection (a) of this section.

(a) A candidate, office holder, or political committee shall make a determination to accept or refuse a political contribution not later than the end of the reporting period during which the contribution is received, except as provided by subsection (e) of this section.

(b) A determination to refuse a political contribution is a distinct act from returning a political contribution and may occur at a different time.

(c) If a determination to accept or refuse a political contribution is not made before the end of the reporting period during which the contribution is received, the contribution is considered to have been accepted on the last day of that reporting period.

A contribution not returned within that time is considered to be accepted.

§20.56. Expenditures to Vendors

(b) A vendor of a candidate, officeholder, or specific-purpose committee may not, in providing goods or services for the candidate, officeholder, or committee, make an expenditure that, if made by the candidate, officeholder, or committee, would be prohibited by §§253.035, 253.038, or 253.041, Election Code.

(c) A candidate, officeholder, or specific-purpose committee may not use political contributions to pay or reimburse a vendor for an expenditure that, if made by the candidate, officeholder, or committee, would be prohibited by §§253.035, 253.038, or 253.041, Election Code.

§20.57. Time of Making Expenditure

(a) The date of a political expenditure is the date the amount is readily determinable by the person making the expenditure, except as provided by subsection (b) of this section.

(d) A political expenditure by credit card made during a period not covered by a report listed under subsection (c) of this section, must be included in the report for the period during which:

1. the charge was made; or
2. the person receives the credit card statement that includes the expenditure.

§20.58. Disclosure of Political Expenditure

(a) An expenditure that is not paid during the reporting period in which the obligation to pay the expenditure is incurred shall be reported on the Unpaid Incurred Obligations Schedule for the reporting period in which the obligation to pay is incurred.

(b) The use of political contributions to pay an expenditure previously disclosed on an Unpaid Incurred Obligations Schedule shall be reported on the appropriate disbursements schedule for the reporting period in which the payment is made.
(c) The use of personal funds to pay an expenditure previously disclosed on an Unpaid Incurred Obligations Schedule shall be reported on the Political Expenditure Made from Personal Funds Schedule for the reporting period in which the payment is made.

(d) The effective date of this rule is January 1, 2015.

§20.59. Reporting Expenditure by Credit Card

(a) A report of an expenditure charged to a credit card must be disclosed on the Expenditures Made to Credit Card Schedule and identify the vendor who receives payment from the credit card company.

(b) A report of a payment to a credit card company must be disclosed on the appropriate disbursements schedule and identify the credit card company receiving the payment.

§20.60. Reporting Political Expenditures for Processing Fees

(a) Multiple political expenditures made to a single payee during a reporting period for fees to process political contributions may be itemized as a single expenditure, in an amount equal to the combined total amount of the expenditures, if all the expenditures are made to a single payee for the same purpose.

(b) The purpose of an expenditure reported under subsection (a) of this section must include the dates of the first and last of the multiple expenditures made to a single payee during the reporting period.

(c) For reporting purposes, the date of an expenditure reported under subsection (a) of this section is the date of the first expenditure made to the payee during the reporting period, as provided by §20.57 (Time of Making Expenditure) of this title.

§20.61. Purpose of Expenditure

(a) For reporting required under §254.031 of the Election Code, the purpose of an expenditure means:

(1) A description of the category of goods, services, or other thing of value for which an expenditure is made. Examples of acceptable categories include:

(A) advertising expense;

(B) accounting/banking;

(C) consulting expense;

(D) contributions/donations made by candidate/officeholder/political committee;

(E) event expense;

(F) fees;
(G) food/beverage expense;
(H) gifts/awards/memorials expense;
(I) legal services;
(J) loan repayment/reimbursement;
(K) office overhead/rental expense;
(L) polling expense;
(M) printing expense;
(N) salaries/wages/contract labor;
(O) solicitation/fundraising expense;
(P) transportation equipment and related expense;
(Q) travel in district;
(R) travel out of district;
(S) other political expenditures; and

(2) A brief statement or description of the candidate, officeholder, or political committee activity that is conducted by making the expenditure and an additional indication if the expenditure is an officeholder expenditure for living in Austin, Texas. The brief statement or description must include the item or service purchased and must be sufficiently specific, when considered within the context of the description of the category, to make the reason for the expenditure clear. Merely disclosing the category of goods, services, or other thing of value for which the expenditure is made does not adequately describe the purpose of an expenditure.

(3) For purposes of this section, “consulting” means advice and strategy. “Consulting” does not include providing other goods or services, including without limitation media production, voter contact, or political advertising.

(b) An expenditure other than a reimbursement to a person, including a vendor, for more than one type of good or service must be reported by the filer as separate expenditures for each type of good or service provided by the person in accordance with this rule.

(c) The description of a political expenditure for travel outside of the state of Texas must provide the following:

(1) The name of the person or persons traveling on whose behalf the expenditure was made;

(2) The means of transportation;
(3) The name of the departure city or the name of each departure location;

(4) The name of the destination city or the name of each destination location;

(5) The dates on which the travel occurred; and

(6) The campaign or officeholder purpose of the travel, including the name of a conference, seminar, or other event.

(d) Except as provided by subsection (e) of this section, this rule applies to expenditures made on or after July 1, 2010.

(e) The requirement to include an additional indication if an expenditure is an officeholder expenditure for living in Austin, Texas, applies to an expenditure made on or after July 1, 2014.

(f) Comments:

The purpose of an expenditure must include both a description of the category of goods or services received in exchange for the expenditure and a brief statement or description of the candidate, officeholder, or political committee activity that is conducted by making the expenditure. A description of an expenditure that merely states the item or service purchased is not adequate because doing so does not allow a person reading the report to know the allowable activity for which an expenditure was made. The following is a list of examples that describe how the purpose of an expenditure may be reported under section 20.61. This list is for illustrative purposes only. It is intended to provide helpful information and to assist filers in reporting the purpose of an expenditure under this rule. However, it is not, and is not intended to be, an exhaustive or an exclusive list of how a filer may permissibly report the purpose of an expenditure under this rule. The rule does not require the candidate or officeholder to identify by name or affiliation an individual or group with whom the candidate or officeholder meets.

(1) Example: Candidate X is seeking the office of State Representative, District 2000. She purchases an airline ticket from ABC Airlines to attend a campaign rally within District 2000. The acceptable category for this expenditure is “travel in district.” The candidate activity that is accomplished by making the expenditure is to attend a campaign rally. An acceptable brief statement is “airline ticket to attend campaign event.”

(2) Example: Candidate X purchases an airline ticket to attend a campaign event outside of District 2000 but within Texas, the acceptable category is “travel out of district.” The candidate activity that is accomplished by making the expenditure is to attend a campaign event. An acceptable brief statement is “airline ticket to attend campaign or officeholder event.”

(3) Example: Candidate X purchases an airline ticket to attend an officeholder related seminar outside of Texas. The acceptable method for the purpose of this expenditure is by selecting the “travel out of district” category and completing the “Schedule T” (used to report travel outside of Texas).

(4) Example: Candidate X contracts with an individual to do various campaign related tasks such as work on a campaign phone bank, sign distribution, and staffing the office.
The acceptable category is “salaries/wages/contract labor.” The candidate activity that is accomplished by making the expenditure is to compensate an individual working on the campaign. An acceptable brief statement is “contract labor for campaign services.”

(5) Example: Officeholder X is seeking re-election and makes an expenditure to purchase a vehicle to use for campaign purposes and permissible officeholder purposes. The acceptable category is “transportation equipment and related expenses” and an acceptable brief description is “purchase of campaign/officeholder vehicle.”

(6) Example: Candidate X makes an expenditure to repair a flat tire on a campaign vehicle purchased with political funds. The acceptable category is “transportation equipment and related expenses” and an acceptable brief description is “campaign vehicle repairs.”

(7) Example: Officeholder X purchases flowers for a constituent. The acceptable category is “gifts/awards/memorials expense” and an acceptable brief description is “flowers for constituent.”

(10) Example: Officeholder X makes an expenditure to attend a seminar related to performing a duty or engaging in an activity in connection with the office. The acceptable category is “fees” and an acceptable brief description is “attend officeholder seminar.”

(11) Example: Candidate X makes an expenditure for political advertising to be broadcast by radio. The acceptable category is “advertising expense” and an acceptable brief description is “political advertising.” Similarly, Candidate X makes an expenditure for political advertising to appear in a newspaper. The acceptable category is “advertising expense” and an acceptable brief description is “political advertising.”

(12) Example: Officeholder X makes expenditures for printing and postage to mail a letter to all of her constituents, thanking them for their participation during the legislative session. Acceptable categories are “advertising expense” OR “printing expense” and an acceptable brief description is “letter to constituents.”

(13) Example: Officeholder X makes an expenditure to pay the campaign office electric bill. The acceptable category is “office overhead/rental expense” and an acceptable brief description is “campaign office electric bill.”
(14) Example: Officeholder X makes an expenditure to purchase paper, postage, and other supplies for the campaign office. The acceptable category is “office overhead/rental expense” and an acceptable brief description is “campaign office supplies.”

(15) Example: Officeholder X makes an expenditure to pay the campaign office monthly rent. The acceptable category is “office overhead/rental expense” and an acceptable brief description is “campaign office rent.”

(16) Example: Candidate X hires a consultant for fundraising services. The acceptable category is “consulting expense” and an acceptable brief description is “campaign services.”

(17) Example: Candidate/Officeholder X pays his attorney for legal fees related to either campaign matters or officeholder matters. The acceptable category is “legal services” and an acceptable brief description is “legal fees for campaign” or “for officeholder matters.”

§20.62. Reporting Staff Reimbursement

(a) Political expenditures made out of personal funds by a staff member of an officeholder, a candidate, or a political committee with the intent to seek reimbursement from the officeholder, candidate, or political committee that in the aggregate do not exceed $6,130 during the reporting period may be reported as follows IF the reimbursement occurs during the same reporting period that the initial expenditure was made:

(1) the amount of political expenditures that in the aggregate exceed $180 and that are made during the reporting period, the full name and address of the persons to whom the expenditures are made and the dates and purposes of the expenditures; and

(2) included with the total amount or a specific listing of the political expenditures of $180 or less made during the reporting period.

(b) Except as provided by subsection (a) of this section, a political expenditure made out of personal funds by a staff member of an officeholder, a candidate, or a political committee with
the intent to seek reimbursement from the officeholder, candidate, or political committee must be reported as follows:

(1) the aggregate amount of the expenditures made by the staff member as of the last day of the reporting period is reported as a loan to the officeholder, candidate, or political committee;

(2) the expenditure made by the staff member is reported as a political expenditure by the officeholder, candidate, or political committee; and

(3) the reimbursement to the staff member to repay the loan is reported as a political expenditure by the officeholder, candidate, or political committee.

§20.63. Reporting the Use and Reimbursement of Personal Funds

(a) A candidate is required to report a campaign expenditure from his or her personal funds.

(b) An officeholder is not required to report an officeholder expenditure from his or her personal funds unless he or she intends to be reimbursed from political contributions.

(c) A candidate or officeholder must report a political expenditure from his or her personal funds using one of the following methods:

(1) As a political expenditure made from personal funds reported on the political expenditure made from personal funds schedule;

(2) As a loan without depositing the personal funds in an account in which political contributions are held. The amount reported as a loan may not exceed the total amount actually spent in the reporting period. A political expenditure made from these funds must also be reported as a political expenditure made from political funds, not as made from personal funds; or

(3) If the candidate or officeholder deposits personal funds in an account in which political contributions are held, he or she must report that amount as a loan with an indication that personal funds were deposited in that account. A political expenditure made from an account in which political contributions are maintained must be reported as a political expenditure made from political funds, not as made from personal funds.

(d) A candidate or officeholder who makes political expenditures from his or her personal funds may reimburse those personal funds from political contributions only if:

(1) the expenditures were fully reported using one of the methods in subsection (c) of this section on the report covering the period during which the expenditures were made; and

(2) if the method in subsection (c)(1) of this section was used, the report disclosing the expenditures indicates that the expenditures are subject to reimbursement.

(e) A candidate’s or officeholder’s failure to comply with subsection (d) of this section may not be cured by filing a corrected report after the report deadline has passed.
(f) A candidate or officeholder who has complied with subsection (d) of this section and whose personal funds have been reimbursed from political contributions must report the amount of the reimbursement as a political expenditure in the report covering the period during which the reimbursement was made.

(g) Section 22.21 of this title (relating to Additional Restrictions on Reimbursement of Personal Funds and Payments on Certain Loans) set limits on the amount of political expenditures from personal funds that a statewide officeholder may reimburse from political contributions.

§20.64. Reporting the Forgiveness of a Loan or Settlement of a Debt

(a) The forgiveness of a loan to a candidate, officeholder, or political committee is a reportable in-kind political contribution unless the loan does not constitute a contribution under §251.001(2) of the Election Code, and the forgiveness of the loan was made in the due course of business.

(b) The settlement of a debt owed by a candidate, officeholder, or political committee is a reportable in-kind political contribution unless the creditor is a commercial vendor that has treated the settlement in a commercially reasonable manner that reflects the usual and normal practice of the industry, and is typical of the terms the commercial vendor offers to political and non-political persons alike.

§20.65. Reporting No Activity

(a) As a general rule, a candidate or officeholder must file a report required by Subchapter C of this chapter (relating to Reporting Requirements for a Candidate) or Subchapter D of this chapter (relating to Reporting Requirements for an Officeholder Who Does Not Have a Campaign Treasurer Appointment on File) even if there has been no reportable activity during the period covered by the report.

(b) This general rule does not apply to:

1. special pre-election reports;
2. special session reports; or
3. a local officeholder who does not have a campaign treasurer appointment on file and who does not accept more than $900 in political contributions or make more than $900 in political expenditures during the reporting period.

(c) If a required report will disclose that there has been no reportable activity during the reporting period, the filer shall submit only those pages of the report necessary to identify the filer and to swear to the lack of reportable activity.

§20.66. Discounts

(a) A discount to a candidate, officeholder, or political committee is an in-kind political contribution unless the terms of the transaction reflect the usual and normal practice of the industry and are typical of the terms that are offered to political and non-political persons alike, or unless the discount is given solely in order to comply with §253.041 of the Election Code.
(b) The value of an in-kind contribution in the form of a discount is the difference between the fair market value of the goods or services at the time of the contribution and the amount charged.

§20.67. Reporting after the Death or Incapacity of a Filer

(a) The responsibility to file reports required by this title survives the death or incapacity of a candidate or officeholder.

(b) The legal representative or the estate of a candidate or officeholder who has died, or the legal representative of a candidate who is incapacitated, shall file any reports due under Subchapter C of this chapter (relating to Reporting Requirements for a Candidate) or Subchapter D of this chapter (relating to Reporting Requirements for an Officeholder Who Does Not Have a Campaign Treasurer Appointment on File).

Subchapter C. REPORTING REQUIREMENTS FOR A CANDIDATE

§20.201. Required Appointment of Campaign Treasurer

A candidate must file a campaign treasurer appointment before accepting any campaign contributions or making or authorizing any campaign expenditures, including campaign expenditures from personal funds.

§20.203. Candidates for State Party Chair

Because the state chair of a political party does not hold a public office, a candidate for state chair of a political party is not within the definition of “candidate” set out in §20.1(4) of this title (relating to Definitions). Nonetheless, a candidate for the state chair of a political party is subject to filing requirements as provided by Subchapter J of this chapter (relating to Reports by a Candidate for State Party Chair).

Each candidate’s campaign treasurer appointment shall include the following information:

§20.206. Transfer of Campaign Treasurer Appointment

(a) If a candidate who has filed a campaign treasurer appointment decides to seek a different office that would require the appointment to be filed with another authority, a copy of the appointment certified by the authority with whom it was originally filed must be filed with the other authority in addition to the new campaign treasurer appointment.

(b) The original appointment terminates on the filing of the copy with the appropriate authority or on the 10th day after the date the decision to seek a different office is made, whichever is earlier.

§20.207. Termination of Campaign Treasurer Appointment

(a) A candidate may terminate a campaign treasurer appointment by:

   (1) filing a campaign treasurer appointment for a successor campaign treasurer; or

   (2) filing a final report.

(b) A person may terminate his or her own status as campaign treasurer by immediately notifying both the appointing authority and the filing authority in writing.

(c) If a person terminates his or her own status as campaign treasurer, the termination is effective on the date the candidate receives the notice or on the date the filing authority actually receives the notice, whichever is later.

(d) Section 20.23 of this title (relating to Timeliness of Action by Mail) does not apply to subsection (c) of this section.

The period covered by the report continues through the 40th day before the election.

(a) As provided by subsection (b) of this section, certain specific-purpose committees must file reports about certain contributions accepted during the period that begins on the ninth day before an election and ends at noon on the day before an election. Reports under this section are known as “special pre-election” reports.

(b) A campaign treasurer for a specific-purpose committee for supporting or opposing a candidate for an office specified by §252.005(1), Election Code, that, during the period described in subsection (a) of this section, accepts one or more political contributions from a person that in the aggregate exceed $1,790 must file special pre-election reports.

(c) Except as provided in subsection (e) of this section, the campaign treasurer of a specific-purpose committee must file a report so that the report is received by the commission no later than the first business day after the committee accepts a contribution from a person that triggers the requirement to file the special pre-election report.

(d) If, during the reporting period for special pre-election contributions, a committee receives additional contributions from a person whose previous contribution or contributions have triggered the requirement to file a special pre-election report during the period, the campaign treasurer for the committee must file an additional special pre-election report for each such contribution. Except as provided in subsection (e) of this section, each such special pre-election report must be filed so that it is received by the commission no later than the first business day after the committee accepts the contribution.

(e) The campaign treasurer of a specific-purpose committee must file a special pre-election report for each person whose contribution or contributions made during the period for special pre-election reports exceed the threshold for special pre-election reports.

(f) A campaign treasurer of a specific-purpose committee must also report contributions reported on a special pre-election report on the next semiannual, pre-election, or runoff report filed, as applicable.
§20.335. Form and Contents of Special Pre-Election Report by a Specific-Purpose Committee Supporting or Opposing Certain Candidates

(a) A special pre-election report shall be filed electronically as required by §254.036, Election Code, unless a report is exempt from electronic filing. (b) A special pre-election report shall include the following information:

1. the full name of the specific-purpose committee;
2. the full name of the campaign treasurer;
3. the name of the person making a contribution or contributions that triggered the requirement to file a special pre-election report;

§20.337. Special Session Reports by Specific-Purpose Committees

(a) A campaign treasurer of a specific-purpose committee for supporting, opposing, or assisting a candidate for or holder of a statewide office or the legislature that accepts a political contribution during the period that begins on the date the governor signs a proclamation calling a special legislative session and ends on the date of final adjournment must file a special session report.

(b) A special session report must be filed with the commission not later than the 30th day after the date of final adjournment of the special session.

(c) A special session report is a report of contributions only, not expenditures. Expenditures made during the period covered by a special session report are required to be reported in the next applicable sworn report of contributions and expenditures.

(d) Contributions reported in a special session report are required to be reported in the next applicable sworn report of contributions and expenditures.

(e) A determination to accept or refuse a political contribution received during the period covered by a special session report shall be made no later than the third day after the date the contribution is received.

(f) A contribution that is refused under subsection (e) of this section must be returned no later than the 30th day after the date of final adjournment. A contribution not returned by that date will be deemed accepted.
(g) A specific-purpose committee's campaign treasurer is not required to file a separate special session report if another report is due no later than the 10th day after the date a report required under this section would be due.

§20.341. Dissolution Report

(a) The campaign treasurer of a specific-purpose committee may file a dissolution report at any time that the committee expects no further reportable activity to occur.
(b) A dissolution report does not have to be filed by a designated deadline.

(c) Filing a dissolution report:

(1) relieves the campaign treasurer of the duty to file additional reports under this subchapter; and

(2) terminates the specific-purpose committee’s campaign treasurer appointment.

§20.343. Contents of Dissolution Report

A dissolution report must contain:

(1) the information described in §20.331 of this title (relating to Contents of Specific-Purpose Committee Sworn Report of Contributions and Expenditures); and

(2) the following sworn statement, signed by the specific-purpose committee’s campaign treasurer, and properly notarized: “I, the undersigned campaign treasurer, do not expect the occurrence of any further reportable activity by this specific-purpose committee for this or any other campaign or election for which reporting under the Election Code is required. I declare that all of the information required to be reported by me has been reported. I understand that designating a report as a dissolution report terminates the appointment of campaign treasurer. I further understand the circumstances in which the specific-purpose committee may not make or authorize political expenditures or accept political contributions without having an appointment of campaign treasurer on file.”

Subchapter F. REPORTING REQUIREMENT FOR A GENERAL PURPOSE COMMITTEE

§20.401. Thresholds for Appointment of Campaign Treasurer by a General-Purpose Committee

(a) A general-purpose committee may not accept political contributions exceeding $870 and may not make or authorize political expenditures exceeding $870 without filing a campaign treasurer appointment with the commission.

(b) Unless the committee’s campaign treasurer appointment was filed not later than the 30th day before the appropriate election day, a general-purpose committee may not knowingly make or authorize campaign contributions or campaign expenditures exceeding $870 to support or oppose a candidate in a primary or general election for the following:

(1) a statewide office;

(2) a seat in the state legislature;

(3) a seat on the State Board of Education;
(4) a multi-county district office; or

(5) a judicial district office filled by voters of only one county.

§20.403. Reporting Requirements for Certain General-Purpose Committees

(a) A general-purpose committee that is established by a political party’s county executive committee is subject to Subchapter I of this chapter (relating to Rules Applicable to a Political Party’s County Executive Committee). Subchapter I of this chapter prevails over this subchapter in the case of conflict.

(b) A general-purpose committee that is the principal political committee of a political party is subject to Subchapter G of this chapter (relating to Rules Applicable to a Principal Political Committee of a Political Party). Subchapter G of this chapter prevails over this subchapter in the case of conflict.

(c) A general-purpose committee that supports or opposes a candidate for state chair of a political party is subject to Subchapter K of this chapter (relating to Reports by Political Committees Supporting or Opposing a Candidate for State Chair of a Political Party). Subchapter K of this chapter prevails over this subchapter in the case of conflict.

§20.405. Campaign Treasurer Appointment for a General-Purpose Political Committee

(a) A general-purpose committee may appoint a campaign treasurer at any time before exceeding the thresholds described in §20.401(a) of this title (relating to Thresholds for Appointment of Campaign Treasurer by a General-Purpose Committee).

(b) After a general-purpose committee appoints a campaign treasurer, the campaign treasurer must comply with all the requirements of this subchapter, even if the committee has not yet exceeded $870 in political contributions or expenditures.

(c) With the exception of the campaign treasurer appointment, the individual named as a committee’s campaign treasurer is legally responsible for filing all reports of the general-purpose committee, including a report following the termination of his or her appointment as campaign treasurer.

§20.407. Appointing an Assistant Campaign Treasurer

(a) A general-purpose committee may appoint an assistant campaign treasurer by written appointment filed with the commission.

(b) The assistant campaign treasurer has the same authority as the campaign treasurer. However, if the campaign treasurer appointment is terminated, the assistant campaign treasurer no longer has authority to act as the campaign treasurer.

(c) The campaign treasurer, not the assistant campaign treasurer, is liable for any penalties assessed by the commission for late reports or incomplete reports or for failure to file a report.
(d) Section 20.415 of this title (relating to Termination of Campaign Treasurer Appointment) and §20.417 of this title (relating to Termination Report) apply to the appointment and removal of an assistant campaign treasurer.

§20.409. Name of General-Purpose Committee

(a) The name of a general-purpose committee must include the full name of each corporation, labor organization, or other association or legal entity other than an individual that directly establishes, administers, or controls the general-purpose committee.

(b) A corporation, labor organization, or other association or legal entity that “directly establishes, administers, or controls” a general-purpose committee is one that has:

(1) the authority to actively participate in determining to whom the general-purpose committee makes political contributions or for what purposes the general-purpose committee makes political expenditures; or

(2) the authority to designate a person to a position of authority with the general-purpose committee, including that of an officer or director of the general-purpose committee.

(c) The name of an entity used in the name of a general-purpose committee may be a commonly recognized acronym by which the entity is known.

(d) The name of a general-purpose committee may not be the same as or deceptively similar to the name of any other general-purpose committee that has an active campaign treasurer appointment on file with the commission. The commission shall determine whether the name of a general-purpose political committee is in violation of this prohibition and shall immediately notify the campaign treasurer of the offending political committee of that determination. In determining whether the name of a general-purpose committee is the same as or deceptively similar to the name of any other general-purpose committee, the commission may be guided by Texas Administrative Code, Title 1, Part 4, Chapter 79. The campaign treasurer of the political committee must file a name change with the commission not later than the 14th day after the date of notification.

(e) For purposes of subsection (d) of this section, a general-purpose committee does not have an active campaign treasurer appointment on file with the commission if the committee files a dissolution report under §254.159, Election Code, or the campaign treasurer appointment for the committee is terminated and more than one year has lapsed since the committee has filed another campaign treasurer appointment with the commission.

§20.411. Contents of General-Purpose Committee Campaign Treasurer Appointment

A campaign treasurer appointment for a general-purpose committee shall include the following information:

   (D) the individual’s telephone number;

(5) one of the following:

   (C) the full name of each person who determines for what purposes the general-purpose committee makes expenditures;

(6) the name of each other general-purpose committee to which the general-purpose committee intends to make political contributions;

(8) the signature of the individual appointed campaign treasurer.

§20.413. Updating Information on the Campaign Treasurer Appointment

(a) The campaign treasurer must notify the commission in writing of any change in the campaign treasurer’s address no later than the 10th day after the date on which the change occurs.

(3) filing a dissolution report.

(b) A committee’s campaign treasurer may resign by immediately notifying both the appointing authority and the filing authority in writing.

(c) If the campaign treasurer resigns or otherwise leaves the position, the termination is effective on the date the committee actually receives the notice or on the date the filing authority actually receives the notice, whichever is later. Section 20.23 of this title (relating to Timeliness of Action by Mail) does not apply to this subsection.

(d) For purposes of the termination report required by §20.417 of this title (relating to Termination Report), a campaign treasurer’s resignation is effective on the date the treasurer resigns, as provided by subsection (b) of this section. Section 20.23 of this title (relating to Timeliness of Action by Mail) applies to this subsection.

(e) A termination of a general-purpose committee’s campaign treasurer appointment and the filing of the termination report by themselves do not dissolve the general-purpose committee. A general-purpose committee can be dissolved only by filing a dissolution report with the commission.

§20.417. Termination Report

(a) If the campaign treasurer appointment of a general-purpose committee is terminated, the campaign treasurer whose appointment was terminated shall file a termination report that contains the information listed in §20.433 of this title (relating to Contents of General-Purpose Committee Sworn Report of Contributions and Expenditures), except as provided by §20.434 of this title (relating to Alternate Reporting Requirements for Certain General-Purpose Committees).

(c) A termination report covers a period that begins on either the day after the period covered by the last report of contributions and expenditures required to be filed under this subchapter (other than a special pre-election report) or the day the campaign treasurer appointment was filed (if the committee has not yet filed a report of contributions and expenditures). The period covered by the report continues through the day the termination of the campaign treasurer appointment is effective.

(d) The report shall be filed not later than the 10th day after the date the termination of the campaign treasurer appointment is effective.

§20.419. Converting to a Specific-Purpose Committee

(a) A general-purpose committee that changes its operation and becomes a specific-purpose committee is subject to the requirements applicable to a specific-purpose committee as of the date it files its campaign treasurer appointment as a specific-purpose committee.

(b) The campaign treasurer of a general-purpose committee that changes its operation and becomes a specific-purpose committee shall deliver written notice of the change in status to the commission.

(c) The notice shall identify the filing authority with whom future filings by the committee are expected to be made.

(d) The notice required by this section is due not later than the next deadline for filing a report under this subchapter that:

   (1) occurs after the change in status; and
   (2) would be applicable to the committee if it were still a general-purpose committee.

(e) As provided by §20.301 of this title (relating to Thresholds for Campaign Treasurer Appointment), a new specific-purpose committee involved in an election supporting or opposing a candidate for a statewide office, the state legislature, the State Board of Education, or a multi-county district office in a primary or general election may not accept political contributions exceeding $500 and may not make or authorize political expenditure exceeding $500 unless the committee’s campaign treasurer appointment as a specific-purpose committee has been on file at least 30 days before the applicable election day.

(a) A person must register under Government Code, §305.003(a)(1), if the person makes total expenditures of more than $780 in a calendar quarter, not including expenditures for the person’s own travel, food, lodging, or membership dues, on activities described in Government Code §305.006(b) to communicate directly with one or more members of the legislative or executive branch to influence legislation or administrative action.

(b) An expenditure made by a member of the judicial, legislative, or executive branch of state government or an officer or employee of a political subdivision of the state acting in his or her official capacity is not included for purposes of determining whether a person is required to register under Government Code, §305.003(a)(1).

(c) For purposes of Government Code, §305.003(a)(2), and this chapter, a person shall make a reasonable allocation of compensation between compensation for lobby activity and compensation for other activities.

(c) The individual registrant shall report the compensation by the date on which the entity, if registered, would have been required to report it. §34.85. Individual Reporting Expenditure by Entity

(a) An individual registrant may report an expenditure made by a lobby entity if the entity requests that the individual do so in order for the entity to avoid registration; and
