IN THE MATTER OF  
OPEN DOOR MINISTRIES,  
RESPONDENT

§  
§  
§  
§  
§

BEFORE THE  
TEXAS ETHICS COMMISSION  
SC-3110222

## ORDER and AGREED RESOLUTION

### I. Recitals

The Texas Ethics Commission (the commission) met on April 21, 2011, to consider sworn complaint SC-3110222. A quorum of the commission was present. The commission determined that there is credible evidence of a violation of sections 253.003 and 253.094 of the Election Code, laws administered and enforced by the commission. To resolve and settle this complaint without further proceedings, the commission proposed this resolution to the respondent.

### II. Allegation

The complaint alleged that the respondent made a corporate political contribution to a candidate.

### III. Facts Supported by Credible Evidence

Credible evidence available to the commission supports the following findings of fact:

1. The respondent is a corporation located in Brenham, Texas. The complaint alleged that the respondent made an unlawful political contribution to an incumbent candidate for state representative. The candidate accepted a \$100 political contribution from "Open Door Ministries" in Brenham on August 11, 2009, that was disclosed in a January 2010 semiannual campaign finance report.
2. According to records of the Texas Secretary of State, the respondent was a domestic nonprofit corporation with a registered agent in Somerville, Texas.
3. In response to the allegations, the registered agent and director of the corporation submitted an affidavit, in which he acknowledged that "he should have [known] better and I made an error."
4. The respondent submitted a copy of a check drawn for \$100 on the candidate's account. The check was dated February 17, 2011, after the complaint was filed, and was payable to the order of "Open Door Ministries" for "Return of Contribution."

#### IV. Findings and Conclusions of Law

The facts described in Section III support the following findings and conclusions of law:

1. A person may not knowingly make a political contribution in violation of Chapter 253, Election Code. ELEC. CODE § 253.003(a).
2. A corporation may not make a political contribution or political expenditure that is not authorized by subchapter D, Chapter 253, Election Code. *Id.* § 253.094(a). That subchapter does not authorize a corporation to make a political contribution to a candidate or officeholder.
3. “Corporation” means a corporation that is organized under the Texas Business Corporation Act, the Texas Non-Profit Corporation Act, the Texas For-Profit Corporation Law, the Texas Non-Profit Corporation Act, the Texas Nonprofit Corporation Law, federal law, or law of another state or nation. *Id.* § 253.091.
4. A contribution means a direct or indirect transfer of money, goods, services, or any other thing of value and includes an agreement made or other obligation incurred, whether legally enforceable or not, to make a transfer. *Id.* § 251.001(2).
5. A political contribution means a campaign contribution or an officeholder contribution. *Id.* § 251.001(5).
6. A campaign contribution means, in pertinent part, a contribution to a candidate that is offered or given with the intent that it be used in connection with a campaign for elective office. *Id.* § 251.001(3).
7. An officeholder contribution means, in pertinent part, a contribution to an officeholder that is offered or given with the intent that it be used to defray expenses that are incurred by the officeholder in performing a duty or engaging in an activity in connection with the office and are not reimbursable with public money. *Id.* § 251.001(4).
8. The respondent made a \$100 political contribution to a candidate. The candidate repaid the respondent \$100. Therefore, there is credible evidence that the respondent violated sections 253.003(a) and 253.094(a) of the Election Code.

#### V. Representations and Agreement by Respondent

By signing this order and agreed resolution and returning it to the commission:

1. The respondent neither admits nor denies the facts described under Section III or the commission’s findings and conclusions of law described under Section IV, and consents to

the entry of this order and agreed resolution solely for the purpose of resolving this sworn complaint.

2. The respondent consents to this order and agreed resolution and waives any right to further proceedings in this matter.
3. The respondent acknowledges that a corporation may not make a political contribution to a candidate or officeholder. The respondent agrees to comply with this requirement of the law.

#### **VI. Confidentiality**

This order and agreed resolution describes a violation that the commission has determined is neither technical nor *de minimis*. Accordingly, this order and agreed resolution is not confidential under section 571.140 of the Government Code and may be disclosed by members and staff of the commission.

#### **VII. Sanction**

After considering the seriousness of the violation described under Sections III and IV, including the nature, circumstances, and consequences of the violation, and after considering the sanction necessary to deter future violations, the commission imposes a \$100 civil penalty.

#### **VIII. Order**

The commission hereby orders that if the respondent consents to the proposed resolution, this order and agreed resolution is a final and complete resolution of SC-3110222.
